---

George Lane Memorial Park & Campground situated on the Highwood River in the Town of High River, Alberta, among glorious mature black poplar trees (cottonwoods), many of which are more than a hundred years old. Located in the middle of town, the campground is convenient to shopping, dining and even a movie. Yet, unless you look carefully, you would not know the town is there. There are even 2 golf courses nearby.

The campground is part of a public park which has outdoor facilities for baseball, celebrations such as weddings, graduations and birthdays, family outings, picnics, a children's playground, horseshoe pits, bocce courts, walking and bike riding paths. Swimming, tubing and fishing is allowed in the river.

Several of the 57 campsites will accommodate very large RV's (over 40 feet in length). Three campsites are available without power for those who prefer not to use electricity.
